

Take Me To The Mardi Gras - Paul Simon

{tacet}C'mon take me to the [A]Mardi Gras, where the people sing and [E7]play
Where the dancing is elite
And there's music in the street
Both [A]night and day

[tacet]Hurry take me to the [A]Mardi Gras, in the city of my [E7]dreams
You can legalize your lows
You can wear your summer clothes
In the New [A]Orleans [A7]

And I will lay my [D]burden down, rest my head upon that shore
And when I wear that starry [C]crown
I won't be wanting any [Em]more [E][E7]

{tacet}Take your burdens to the [A]Mardi Gras, let the music wash your [E7]soul
You can mingle in the street
You can jingle to the beat
Of Jelly [A]Roll

[tacet]Tumba, tumba, tumba [A] Mardi Gras, tumba, tumba, tumba [E7] yeah
Yeah, yeah, yeah, yeah, yeah, yeah [A]yeah [A7]

And I will lay my [D]burden down, rest my head upon that shore
And when I wear that starry [C]crown
I won't be wanting any [Em]more [E7]

{tacet}C'mon take me to the [A]Mardi Gras, where the people sing and [E7]play
Where the dancing is elite
And there's music in the street
Both [A]night and day
